The VVX 150 is a two-line, entry-level IP desk phone, delivering enterprise-grade sound quality. The VVX 150 is ideal for home offices or shared/common areas such as lobbies, hallways and break rooms, that need simple and reliable voice connectivity. Please note the VVX 150 does not feature a USB port or illuminated audio keys.

Highlights

- The VVX 150 offers both Polycom® HD Voice™ and Polycom® Acoustic Fence™ technologies. Together, they dramatically improve the most important component of the VVX experience—voice clarity.
- HD Voice delivers superior, high definition sound quality through industry leading, advanced voice processing capabilities. The Polycom's exclusive Polycom Acoustic Fence technology keeps business conversations free from extraneous noises, echoes and distractions.
- The Polycom VVX 150 has a practical design that is simple for end-users. Its modern, intuitive navigation makes it easy to use and requires minimal training, resulting in rapid adoption.
- The Polycom VVX 150 integrates with more than 60 industry leading call control platforms.
- The Polycom VVX 150 has a Multilingual user interface.
